Normandy Brie (France)

Emanating notes of rich, fresh cream topped with tones of earthy, button mushrooms, Normandie Brie's thick, fluffy rind provides a pleasant bite.

Moyden's Wrekin blue

The Funky One – The rustic natural rind encompasses the unctuous cheese inside. Mottled with blue streaks and pockets, the smoky blue piquancy has a mineral like full flavour.

Moyden's Wrekin white

Matured for a minimum of 3 months, usually longer to ensure its taste develops with age. This cheese is smooth and creamy and dotted with eyelets. It has a nutty flavour yet fruity aroma

Moyden's smoked Newport 1665

This cheese is smooth and buttery but tastes light, mellow and sweet. What makes this cheese just so special is that the whole wheel is cold smoked over oak chips at Morgan's Country Butchers and Smokey. The result is a cheese with a lightly oak smoked flavour that lifts it.

Taw Valley Extra Mature Cheddar

From the Taw Valley creamery, impressively full-flavoured. Matured for a minimum for 18 months

Shropshire Blue

Firm blue cheese that has a deep orange- brown rind, sharp strong flavour and a slightly spicy aroma. It is slightly sourer, but sharper, than Stilton and generally creamier. A hint of nutty caramel sweetness behind the spicy blue tang.

Colston Bassett Stilton PDO

Regarded as one of the best traditionally made, naturally crusted Stiltons in the country, this cheese is mature, with good blueing and rich, deep, herbaceous flavours that linger on the palate.
